Say “bonjour” to a world of opportunities!

# OPEN HOUSE

**February 9 • 6:30 - 8:00PM** | Visit our website for details

Learning French offers students significant linguistic, academic and cognitive benefits. It opens doors to knowledge, communication, culture and travel, and gives graduates an edge in the global job market. Our grade 7 late French immersion program provides students with the opportunity to become highly functional in speaking, reading, writing, listening and communicating in French by the end of Grade 12. Our program is also designed for students whose first language is not French, so no prior French is required!

École David Thompson School is the CBE designated Late French Immersion school for families residing south of Glenmore Trail and east of Macleod Trail within Calgary's city limits. Our school has a history of academic excellence and provides a wide variety of complementary and extra-curricular programming. We are committed to creating a safe and caring learning environment, supporting students in pursuing their interests and passions, and empowering students to achieve their potential.

Join us for an informational presentation in the main gym at 6:30pm on February 9, 2023 and take a self-guided tour of the school with support from our amazing leadership students and teachers.
